Let nature be your story

NCI Phase 3: Activity Planning and Measurement

UNIVERSITY OF
DERBY

Nature Connectedness Research Group
derby.ac.uk/NCxRG

Activity Planning using the Pathways

- The purpose of this session is two-fold:
 1. Begin to use the pathways as a framework for activity planning
 2. Consider the outcomes that could be measured

Activity Feedback

- Now that you have planned an activity, nominate two people to represent your group
- The two representatives will move to another group and present an overview of your activity
- Those who remain with their group will provide constructive feedback when presented with another groups activity
